CoType Foundry End User Licence Agreement ("EULA") becomes a binding contract between you and CoType Foundry when the you commence a Font Software download, or if you acquire Font Software on a permanent medium, when you open the package in which the software is contained. If you do not wish to be bound by the EULA, do not purchase, access, download and/or install or otherwise use the Font Software.

Please read all of the EULA before agreeing to be bound by its terms and conditions.

CoType Foundry operates exclusively on a B2B basis, it does not contract directly to the general public. It does not deal with consumer sales and/or licensing. By continuing you are confirming that you are not a consumer for the purposes of the Consumer Credit, Consumer Rights, and Sale of Goods legislation and that you are in business and placing an order for the purpose of that business and not for personal use.

This license permits you to use the trial fonts on a maximum of 5 computers within your organisation. The license exclusively allows the use for trial purposes as well as in non-commercial student project contexts only. You may not use the fonts in any final files for any commercial project.

You may not modify the fonts for your own purposes. You may not commission a third party to modify the fonts. You may not distribute, sell or give away any versions of the fonts.

This title and ownership extends to copies of the data installed on any computer, downloaded to any output device, or retained on other media by you as a backup. This license does not constitute an exclusive sale of the original product to you.

This Agreement does not grant you any right to patents, copyrights, trade secrets, trade names, trademarks (whether registered or unregistered), or any other rights, franchises or licenses in respect of the electronic data. No rights are granted to you other than a License to use the electronic data on the terms expressly set forth in this Agreement. The Font Software is protected by copyright including without limitation, by English and United States Copyright Law, international treaty provisions, and applicable laws in the jurisdiction of use.

You shall not distribute the fonts to people outside of your organisation. PDF embedding of the font software into PDF documents is only permitted in a secured read-only mode that allows only printing and viewing, and prohibits editing, selecting, enhancing or modifying the text.

You must ensure that recipients of PDF documents cannot extract the CoType Foundry Font Software from such PDF documents or use the embedded Font Software for editing purposes or for the creation of new documents. This type of embedding may only be used in a non-commercial, not-for-profit scenario. If you are unable to limit access to the document to "printing and viewing" only, then the electronic document(s) may not be used on computers that are not Licensed Computers. Examples of non-commercial, not-for-profit permitted usage include PDF documents supplied to Service Bureaus, printers, or any documents that disseminate personal, internal or business information.
